A New Generation Of

Woodrow Wilson High School . . . a school rich in tradition . . . Presidential Territory . . . 1993-1994 held a new challenge for this great school. Where did one look to find such splendor? The answer was simple: it was everywhere. It was in the classrooms, the hallways, the school cafeteria, and on the football field. The 1993-1994 school year contained many magical moments.

It began on the very first day of school — September 7th. The Portsmouth School Board made the decision to close the "original" Wilson High School and rename Manor High School, Wilson. Of course this decision created uncertainty among members of the faculty and student body. Fortunately, the first day of school brought a sigh of relief when students realized that many of their friends were in the same classes or lunch period. As a matter of fact, the old saying, "the more, the merrier" proved true. All the former Cradock Admirals, Manor Mustangs, and Wilson Presidents harmonized nicely. New friendships were formed that will last a lifetime.

The "new" Woodrow Wilson High School took on new colors and a new mascot. The Presidents proudly wore the colors silver, blue and white, and the stallion entertained the audience at pep rallies and school athletic events. Our gymnasium pays homage to the memories of Manor High School by retaining the name "Manor Gymnasium." Equally deserving of its past is the "Admiral Library."

Changes bring success, new ideas, new friendships . . . A NEW GENERATION for the 90's!

Mrs. Jarman

Glenda Lee Reagan Jarman, a mathematics teacher here at Wilson High School, was selected for the Yearbook Dedication of 1994.

She was chosen for her outstanding abilities in teaching and for her dedication in helping her students succeed.

Mrs. Jarman is a graduate of West Waterloo High School, Class of 1969. From there she attended the University of Northern Iowa where she earned her BA in math education.

She was very active growing up and was involved in Girl Scouts and YWCA. She spent the summer weekends with her parents, her 2 sisters, and her brother camping and traveling around the midwest.

Mrs. Jarman is married and has 4 children. They are Paul, Daniel, Joe, and Rebekah. She is also the American mother of Alberto Escalante, an exchange student from Mexico. She has a dog, a cat, 4 fish, a hampster, and a lizard.

Her hobbies include fishing and boating, working on her '74 black Nova, reading for pleasure, and attending the variety of sporting activities at Wilson. She also enjoys watching college football and basketball on T.V. But her most important free time activity is spending time with her children and watching them grow.

Mrs. Jarman's pet peeves are people with no goals but to get through today, and people who judge by the surface and not what is inside.

Mrs. Jarman grew up with two teachers living next door whom she pretended to be during playtime. The person who influenced her the most to become a teacher was her 7th grade math teacher who stressed the message, "You can do anything you want."

She has always loved children, young and old. She believes that all of her students can make a difference in this world if they put forth a little effort. Mrs. Jarman is always looking for new methods to make her lessons easier and more interesting for her students to succeed.

Glenda Jarman is also currently serving in her second year as Jr. Class Sponsor.

Mrs. Jarman helped her students bring a smile to a needy child's face at Christmas.

Hail To The Chief

Mr. Lindell Wallace, our respected principal, began his career in education in the mid 1950's as an elementary school teacher. He soon advanced to principal at the elementary level. Mr. Wallace has served as principal at Westhaven Elementary School, Norcom, Mapp, and Manor/Wilson High School.

Mr. Wallace graduated from high school in North Carolina and received a B.S. degree from Elizabeth City State University. He went on to earn M.S. and C.A.S. degrees from Old Dominion University.

Our principal is happily married to his wife, Anne, a former Portsmouth teacher. He has a daughter and a young grandson, age three. In his spare time Mr. Wallace loves to play basketball and baseball as well as watching it on television. When not working, he and his wife, Anne, travel as much as possible and go to see movies.

Mr. Wallace seeks to continue to work with the community to maintain an environment which enables students to become self directed learners and productive citizens. He believes that all students can learn. This can be done by providing a positive educational experience and encouraging each individual student to be responsible for becoming a life-long learner.

Our distinguished principal, Mr. Lindell Wallace.

Mr. Wallace thanks Sendy, a yearbook member, for his copy of the school yearbook.

Mr. Wallace encourages success!

Mr. Wallace, the consummate athlete!

Operation Santa

Operation Santa was back again bringing more smiles to children than ever before. Forty-five underprivileged children between the ages of 2-12 were transported to Woodrow Wilson High School by the Salvation Army.

The children were asked to list a favorite toy and the toy was graciously provided by various homerooms, clubs, organizations, and other staff members.

While the children were having a fabulous time playing with their bubble set or their new tricycle, no one was full of more holiday spirit than our very own "Santa Claus" David Short, bringing even more life to the party.

After the presents were all unwrapped and the children were having a great time, it was time to munch on the refreshments, courtesy of the SCA.

The committee members included Mr. Fane — SCA Sponsor, Shivawn Moore — SCA President, Kendra Rascoe, Kim Tetterton, Yolanda Parker, Candice Booker, Tureka Moore, and Michael Williams.

Once again, with great success, everyone agreed operation Santa was a big hit.

Jennifer Baker brings joy to a young girl's Christmas.

So many gifts to open!

HR 213 knows the thrill of giving!

Santa helps the young girl ride her new bike

Strikes Again!

Look! Someone is getting a barbie!

Time to break out the bubbles!

Someone's showing off her new pair of jeans.

I wonder who gets that Present!

Unexpectant faces wondering what "Santa" is going to bring!

Looks like someone is going to have a great time playing with their fun pad

WWHS Students Participate In Mock UN

O.D.U. MODEL UNITED NATIONS

The Woodrow Wilson High School International Relations Class participated in the 17th Annual Old Dominion University Model United Nations on February 10-12, 1994. Over 100 high schools up and down the east coast were in attendance. The ODU Model U.N. is considered by many to be one of the best Model U.N. programs in the Eastern U.S.

Our students chose the two countries they wished to represent: Iran and Zaire. Students were grouped into pairs and given committee assignments by the ODU Model UN class. The students debated the following U.N. International issues:

1) The Treaty for the Non-proliferation of Nuclear Weapons
2) Disarmament
3) The Caucasus Mountain Nations Conflicts
4) Human Rights
5) Genocide
6) Rights of Indigenous Peoples
7) Amending the United Nations Charter to change the makeup of the Security Council
8) Sub-Saharan Africa
9) Aid to Newly Independent Countries
10) Assistance to Displaced Persons in Africa.

After conducting research concerning the above issues students prepared resolutions to submit to the U.N. to hopefully solve some of the problems associated with the issues.

The students went to the Omni Hotel in Norfolk for the Model U.N. There they heard and participated in debate as the delegates attempted to address the issues just as the U.N. in New York would.

Leading the two Wilson delegations representing Iran and Zaire were Tabetha Davis and Jason Jernigan.

A total of 9 Wilson students participated.

Wilson Salutes African-American Month

Wilson High school celebrated African History Month in February by saluting African-Americans who have contributed to America's culture. Each morning on the P.A. system tributes were made to these Americans.

On Thursday, February 24, the African American Committee of Wilson High presented a program to honor these famous Americans. It was well received by the student body. The guest speaker was Don Roberts of WAVY TV 10. Mrs. Stephenson's African-American Studies class presented a skit and the Modern Dance group under the direction of Mrs. Doris Copeland, performed a series of dances reflecting the emotions felt by blacks over the generations.

Thanks to the African-American Committee for a job well done. Committee members were Doris Copeland, Delores Dudley, Barbara Hook, Kenneth Porter, Ernell Stephenson, and Donald Wilson.

Committee Members: Delores Dudley, Barbara Fuller, Don Roberts, Wavy TV 10, Doris Copeland Donald Wilson, Barbara Hook, and Ken Porter.

Wilson's Olympic Hopeful

Wilson High is so very proud of its rising star, LaTasha Colander. She was ranked number 1 in the USA in 1993 and 1994 in both the 55 meter hurdles and the 300 meter dash. LaTasha holds state records in the 100 meter hurdles, 55 meter hurdles, and 300 meter dash.

LaTasha is such a well-rounded individual. Not only is she a great athlete, she is an honor students. She is in the National Honor Society and was elected by the entire Wilson High student body as the 1993 Homecoming Queen. She was selected as the Indoor Athlete of the Year '93 by Track and Field News, the Norfolk Sports Club, and the Portsmouth Sports Club. Wilson High School is proud of LaTasha Colander.

Portsmouth's ESL program (English As A Second Language) is a program designed to help students attain proficiency in English in order to do well in the regular school program. It also promotes appreciation of different cultures and their contributions to our society. ESL is a program made to accommodate those students from non-English language backgrounds.

ESL is located at Shea Terrace Elementary, Hunt Mapp Middle School, and Woodrow Wilson High School. Students are assigned to the appropriate homerooms where they are given daily lessons by an experienced teacher.

At Woodrow Wilson High School we have students from Thailand, Zaire, Trimdad, Puerto Rico, The Philippines, India, and Taiwan who are currently enrolled in the English As A Second Language class. It is taught by Mr. Richard Singletary.

United Way

Mrs. Margaret Gatling, United Way Chairman, at Woodrow Wilson High School.

United Way helps make a difference in the lives of so many people in South Hampton Roads. United Way supports child care, families, the elderly, buys food, provides shelter, and emergency assistance, and donates money to many charities. United Way is careful with all contributions and it is one of the most cost-effective charitable organizations in our community.

Here at Woodrow Wilson High School, Mrs. Gatling was chairman of our United Way drive. The homerooms who raised the most for United Way had a pizza party held for them in October. Mrs. Thompson's homeroom raised $39.20, Mr. Siedlecki's homeroom raised $29.00, and Mrs. Gatling's homeroom raised $28.27. Our school, as a whole, raised $8,313.00. Wilson High School's contribution has helped many family, friends, neighbors, and co-workers of us all here in South Hampton Roads. It is a worth while organization.

The football team finished with a 2-8 record. The coaching staff once again faced with the task of combining players from other football programs. The season's highlite was the comeback victory against Great Bridge High School. Quarterback Carlos Jones completed passing yardage that broke the school record. Sarrius Edwards caught 15 passes that game for 150 yards. He latter broke the school and district record for reciving. Carlos Jones, Darruis Edwards, Jean Deloatch, D.C. Peele, Shawn Oliver and Sontray Smith received District and City Honors. Many players are returning and looking forward to a productive year.

They made it all the way to the last game of the finals in the playoffs. Next year the team will lose only two seniors. Coach Gordon feels that even though he will lose two, returning players should give the team a good chance to win the districts in 1993-94.

There were a lot of new faces on the 92-93 boys soccer team. The team lost nine of its starting players from last year's squad. Five starting freshmen made up a young but enthusiastic bunch. This year's girls tennis team was a result of a merge of Manor and Wilson. The team consisted of four returning players from Manor: Krista Teller, Jamie Dunn, Mandy Monell, and Kristie Unzicker. The Wilson players were Antionette Debrough, Mindy Cathell, Danielle Newberry, Kim Kelly, and Erika Clark. The two schools worked hard together to provide the new Wilson with a tennis representative.

Highlights of the season include 9-0 victory over traditional rival Norcom. Number I player Antionette Debrough was selected Honorable Mention All District. Mr. Claud expects more victories next year with six top players returning.

Back Row — Rana Watters, Leslie Livesay, Sara Jackson, Kendra Allen, Kelly Mitchem, Laura Chambers.

Leslie digs for the ball.

Sara jumps for the spike.

Amy loses the ball in the lights.

This year's team did real well. You must win 3 out of 5 games to win a match. We won games at Great Bridge and Deep Creek. That is the first time in Portsmouth Volleyball that this has happened. The team also won a game against Western Branch, and that has never happened before. The record was 1-9. We defeated Oscar Smith here in the Mustang Fieldhouse. The match against Oscar Smith saw the highest score in a single game in Portsmouth Volleyball history. Wilson won that game 21-19. Senior Leslie Livesay was 2nd team all district. Seniors Laura Chambers and Sara Jackson were Honorable Mention All District.
